Subject: An invitation for Sponsorship, Event Partner and Promotional Opportunities

To Whom It May Concern:

I am writing to request your participation as a local or national sponsor, event partner or collaborator for our first annual **We Are The Voice Mental Health and Trauma Conference** to be held on the following date: Saturday, May 18, 2024 in Wapakoneta, OH.

We are a community based ministry dedicated to addressing and promoting awareness and early prevention for mental health. We are advocating for our five pillars; **mental health, awareness, positivity, mentorship and coaching**. We believe that mental health is a critical part of overall wellness for all Americans, all ages, all backgrounds, and all beliefs across cultures. This year's focus will be on collective efforts to educate on the **correlation between childhood trauma and mental health, promote well-being, prevent illnesses, increase resiliency, and foster recovery**. Topics will highlight lived experiences, mentorship, neuroscience and biology, and resources and modalities, centering around community and social determinants of mental health - all ages - with a focus on collective community efforts.

Our conference will be held in person for a more personal and professional gathering. We will have eight guest speakers who will go more in depth on a specific topic of their interests. Topics include; **Recreational Therapy, Breathwork, In The Mind: Changing Your Mindset, Prayer, Self-Care, Suicide Awareness, Nutritionist, and Functional Medicine**. The conference brings together families, caregivers, peers, providers, advocates, and supporters from across the country and locally.

I hope you will consider sponsoring, collaborating or partnering with us. Please see attached details of many opportunities to work together to bring mental health awareness, early detection and screening for childhood trauma, and promote an open and safe conversation in our community.

I would like to answer any questions or provide more information to you or your organization at any time. You are welcomed to call or email at your convenience. Thank you.

Sincerely Yours,

Gina Fox
